I. SCHOOL OVERVIEW

INTRODUCTION

To achieve our mission, every member of Lotus School for Excellence (LSE) must respect the right to learn for all members of the community. This is accomplished by creating an environment that is physically, emotionally and intellectually safe. Additionally, the information in this handbook provides guidelines for behaviors and attitudes that will assist in creating and sustaining a positive environment, enhancing the opportunity for each student, parent and teacher to contribute and learn.

MISSION STATEMENT

Lotus School for Excellence provides a safe learning environment and a rigorous college preparatory curriculum supported by a diverse, dedicated community.

VISION

Our vision is to create well-rounded and global-minded citizens who are prepared for a college education in order to pursue careers in S.T.E.A.M. fields and become contributing members of the community.

LOTUS SCHOOL FOR EXCELLENCE CHAIN OF COMMAND

The Executive Director is in charge of district communications, financial concerns, teacher hiring/terminating, parent concerns, teacher performance evaluations, campus facilities, audits and general governing of all school systems.

Principals are administrators and work for, as well as with, the Executive Director.

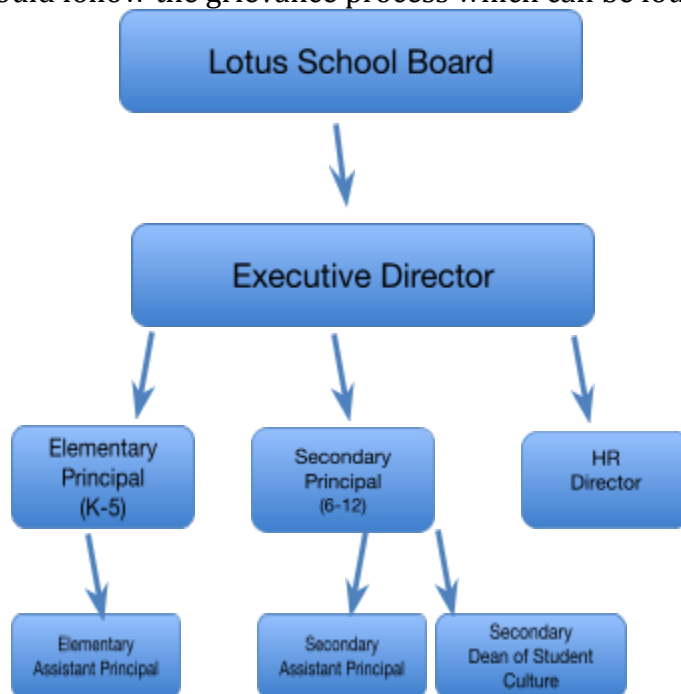

Assistant Principals are administrators and work for, as well as with, the Assistant Executive Director and Executive Director.

CHAIN OF COMMUNICATION

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

When issues or concerns arise with a teacher, staff member or administrator, students and parents are encouraged to first address the situation with the person(s) directly involved. For example, if parents are unsure of a decision made in the classroom about a consequence given for a behavior, they should discuss the situation with the teacher first. If after this discussion, a parent feels the situation is unresolved, the parent should follow the grievance process which can be found on the school's website.

Teachers, staff and administration are available through email, phone, in person by appointment only and/or the voice mail system.

Due to the busy schedules of the teachers and administration, parents are asked to not “drop in” for meetings, but to schedule an appointment in advance. Appointments can be scheduled with school staff by calling the Secondary main office and speaking with the receptionist, 303-360-0052 ext. 100.

CONTACT INFORMATION

Throughout the school year, it is critically important that parents provide the school with updated home and work telephone numbers, as well as mailing addresses. In addition, the school must have the name of an adult to contact in the event of an emergency, should we be unable to reach the parent. If no one

All visitors are required to properly check-in and pick up a background check dated pass in the front office upon arrival. This is the single check in point for parents/guardians, visitors, etc. into the building. Other perimeter entries are closed to non-school personnel. LSE believes that pre-arranged home visits may be beneficial. Staff members will determine the occurrence and frequency of home visits.

II. ACADEMICS

MTSS PROCESS

Lotus School for Excellence (LSE), in agreement with Aurora Public Schools (APS), believes that to provide the most effective education for ALL students, we must start with providing an effective education for EACH child. We know that children have different learning styles and not all children will respond to the same instructional approach. Some students require additional support to experience success.

At LSE we use the Multi-Tiered System of Supports (MTSS) system, a 3-tiered problem-solving approach, to identify and support students who have instructional needs beyond our core curriculum and instructional strategies. Students who qualify will be provided with 2 levels of support beyond the core curriculum. MTSS has been identified as a best practice in education, and fulfills legal requirements of the Every Student Succeeds Act (ESSA) and the Individuals with Disabilities Education Improvement Act (IDEA).

At Tier I, the classroom teacher uses the core curriculum for all students, including strategies to support students performing at different levels. Research has shown that students are successful with the general education classroom approach and with our general education curriculum.

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

At Tier II, we supplement the core curriculum with additional scientific, research-based group interventions for students not successful at Tier I. Lotus School for Excellence students will be provided additional direct instruction or tutoring during school in specific areas as needed. Parents of children identified as requiring Tier II supports will be notified in writing and proposed group interventions and support strategies will be described.

At Tier III, Lotus School for Excellence Intervention Assistance Team (IAT), which includes the student's parents' input, meets to: a) review information collected about the student's skill deficits, and b) plan an educational program with more intensive support to specifically address identified skill deficits.

At Tier III, it may be necessary to alter the student's schedule within the day to adapt and increase instruction in areas of need.

At each Tier, student progress is monitored on a schedule determined by the student's need. At Tier I, all students' basic skills are monitored 3 times a year. At Tier II, students' skills are monitored at least monthly. At Tier III, students' skills are monitored weekly. As a parent, you will have access to ongoing progress monitoring data so you will be aware of your child's progress as data is collected.

We take our responsibility to ensure the success of all students very seriously. MTSS will allow us to support each student efficiently and more effectively, regardless of their unique learning styles and needs.

ACADEMIC PROBATION

Any student who fails any class for the Quarter report card may be placed on academic probation until s/he has raised the grade on the next Quarterly report by the Academic Dean. Mandatory tutoring will be required.

Membership in any club may be suspended and the student may not be allowed to attend any school events, field trips, dances or participate in the normal free dress activities until s/he is no longer on probation. In order to ensure the success of every student, the Administration encourages each student to meet with the Principal or Assistant Principal if s/he is struggling with a class and would like to receive additional assistance.

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

MIDDLE AND HIGH SCHOOL PROMOTION POLICY

Middle school students must pass each of the following subjects to promote to the next grade level:

- English
- Social Studies
- Math
- Science

In middle school, students must attend summer school to make up for failed classes in order to be promoted to the next grade level. Students who do not attend summer school to recover failed class(es) will be placed on academic probation for a quarter.

Students who receive failing grades during the school year in any subject are required to attend mandatory tutoring. Students may also be placed on an academic probation contract.

To be enrolled in Grade 10, a student must have a minimum of 6 units of credit, including at least 3 units in core classes (English, Math, Science or Social Studies).

To be enrolled in Grade 11, a student must have a minimum of 12 units of credit, including at least 6 units in core classes (English, Math, Science or Social Studies).

To be enrolled in Grade 12, a student must have a minimum of 19 units of credit, including at least 10 units in core classes (English, Math, Science or Social Studies).

State test results are not a factor in determining promotion at the high school level. A student's grade level placement is determined by the requirements listed above. A student's grade level placement remains the same for an entire school year. For students to participate in any senior activities they must have a total of 19 credits at the beginning of the first semester and/or 21 credits at the beginning of the second semester of their senior year. In addition, students have to fulfill all graduation requirements to participate in the Graduation Ceremony.

III. ATTENDANCE

Lotus School for Excellence upholds that “good attendance is of paramount importance to academic performance and overall success of students. Absences, whether excused or unexcused, are detrimental

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

to the learning process. Regular attendance develops habits that are essential for success in the working world” (APS Code: JE).

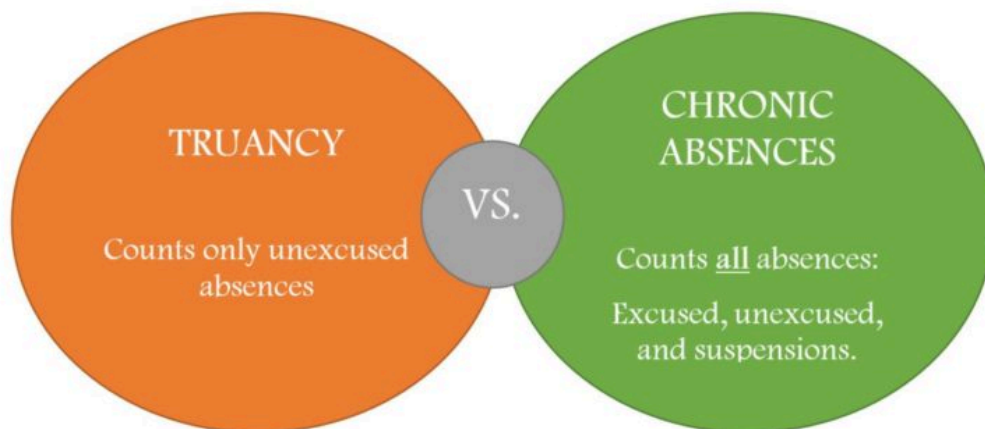

In accordance with Colorado State law (section 22-33-101 et seq., C.R.S), Lotus is required to schedule school for the minimum number of hours.

- 1080 hours- middle school/ high school
- 990 hours- elementary (1st-5th)
- 900 hours- kindergarten (Full day)

State law C.R.S 22-33-107 and LSE policy defines habitual truancy as “four unexcused absences in any one month or 10 unexcused absences during any school year.” This law also requires that schools monitor the attendance of all students and report those who have a significant number of unexcused absences. At Lotus School for Excellence we have the duty to bring appropriate cases of truancy to court to enforce this law. Students who do not meet the defined number of hours will be required to attend Saturday School / Summer School to recover lost hours.

There are two types of absences: **EXCUSED** and **UNEXCUSED**

There are also two categories of absences: **CHRONIC** and **TRUANT**

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

EXCUSED ABSENCES

To excuse a student, a parent must notify the school in a timely manner via telephone, written notification or through other verifiable documentation as required by the school administration. In cases of excessive absences, Lotus School for Excellence will pursue appropriate attendance tiered levels of support as outlined below. The following types of absences, or other absences for good cause as determined in the discretion of the school principal, are considered excused absences:

- **Illness/injury/health conditions**

The student's parent/guardian must call the school each morning the student is absent due to illness/injury/health condition, and describe the reason for the absence. For excessive health related absences of 3 days or more in a month, we may require a written medical excuse from a physician. If the family indicates they have no physician or medical source available for this purpose, the school nurse is authorized to make determination if the student's absence is indeed health related.

- **Appointments/serious circumstances**

Ideally, medical, dental, legal, and other appointments should be scheduled outside of school hours. If the student must be gone during the school day, the student must bring a **note to the office** on the day of the absence or the following day the student attends school. Clearly stating the date and time of the appointment.

- **Pre-Arranged/ Family Vacation**

Parent/guardian may request approval for an excused absence to attend a family business/ family vacation (eg. wedding, graduation, birthday celebrations, family trip, family emergency). Approval will be determined by the principal, upon completing the

Extended Excused Absence Form, based on the following criteria.

- Student is in good academic standing (passing all classes with a C)
- Student has **NO UNEXCUSED ABSENCES**; or
- Student has less than four excused absences in a semester or less than seven excused absences in a year
- Pre-Arranged Absences Requests that are submitted for the following days will not be accepted. **(If student misses those days it may result in student being**

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

- First two weeks of school
- Week before (fall break, Thanksgiving break, winter break, and spring break)
- Week after (fall break, Thanksgiving break, winter break, and spring break)
- During State Testing
- Last month of school

- **Funeral**

Parent/guardian may request approval for an absence to be excused to attend a funeral. This excused absence shall not exceed three days. Approval shall be left to the discretion of the principal.

- **Religious Holidays**

Students may be excused for the purpose of observing a religious holiday consistent with their creed or belief. The parent/ guardian must call the school attendance line to notify as for the reason for absence.

- **Prayer**

If parents request for their child(ren) to pray at school with a written request form, proving the student must pray during school hours, school will provide the time and place without disrupting the instructional time.

- **Out of school suspension / expulsion**

UNEXPECTED ABSENCES

An unexcused absence is defined as an absence that is not covered in the excused absence section. Including but not limited to the following:

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

- Illness of family member (ex. Parent, sibling, cousin, grandparent etc.)

- Pre-arranged/family vacation that was not approved by principal
- Funeral not approved by principal
- Student needing to leave early because other family member (ex. Parent, sibling, cousin, grandparent etc.) has an appointment.
- Student leaving early because of transportation issue

Teachers and attendance personnel will monitor all students’ excused and unexcused absences and/or tardies. When a pattern of unexcused absences and/ or unexcused tardies occur, the student will be identified as habitually truant and the school may follow applicable laws for commencing truancy proceedings. Each unexcused absence shall be entered on the student’s record.

MIDDLE AND HIGH SCHOOL TARDY POLICY

A student is tardy or late when arriving at school or class after the scheduled time.

Students must be in their first period class by 8:00am or they will be considered tardy to school. Students who arrive to periods 2-8 after the scheduled start time will be considered late to class.

If a student is late 15 minutes or longer to any class, they will be considered absent and will receive appropriate consequences for cutting or skipping class according to the school’s behavior matrix.

HABITUAL TRUANCY

LSE considers a student "habitually truant", under Colorado State Law, when despite warnings and/or parent's efforts to ensure attendance, a student has accumulated 4 unexcused absences in a month or 10 unexcused absences in year

DETENTION POLICY

Students may be assigned to lunch or after-school detention at the discretion of the faculty or administration. The student must report to detention on the day assigned. If a student misses any detention without a valid excuse, the student will be assigned Saturday school. If a student fails to show at Saturday school without a valid excuse, additional consequences leading up to suspension will be issued.

PROBATION

Students returning to Lotus School for Excellence who have had numerous mis-behaviors the previous year will be placed on probation. Consequences may be more severe for these students. Students may require a Behavior Improvement Plan and will be assigned on a case-by-case basis.

UNACCEPTABLE AND/OR INTOLERABLE BEHAVIORS:

The following list of behaviors is illustrative of unacceptable behaviors, and not comprehensive:

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

FIGHTING / ASSAULT

Violence between students or violence by one student directed at another will not be tolerated. Fighting on or off school grounds will not be tolerated. If a conflict appears to be imminent, the student is expected to make every reasonable effort to avoid the conflict and to see a teacher, administrator, counselor or any other staff member immediately. Students involved in fighting should expect a serious consequence to be assigned by an administrator (up to and including suspension, expulsion and/or possibly police contact), based upon the individual circumstances.

Students who attend a fight involving LSE students off campus -- during or after school hours -- including weekends and vacations, may be given consequences up to and including suspension or even expulsion depending on the nature of the fight and its impact on Lotus.

Physical aggression toward a staff member will not be tolerated. A student who strikes out or hits a staff member will be suspended and may be assigned an expulsion based upon the individual circumstances.

Parents are responsible for keeping all contact information up to date with the main office staff.

STUDENT SEARCHES

School property is under the control of the school. A search of school property (including but not limited to lockers and vehicles parked on school property) may be made at the discretion of the school administration if a reasonable suspicion arises that items considered illegal, stolen, disruptive, or a general nuisance to the educational process are being kept at school. School authorities may also search a student's person and/or personal property, desk area, backpack whenever a school authority has reasonable suspicion to believe that a student is in possession of an item(s) that is illegal or unauthorized or violates the school's policies.

School officials may detain a student if there is a reasonable suspicion that a student has drugs, narcotics, weapons, explosives, or other dangerous contraband in his or her possession, and if such possession constitutes a clear and imminent danger to the safety and welfare of the student, other persons, or school property. Furthermore, school officials will notify parents and the appropriate law enforcement agency of possession of such materials.

GIVING A FALSE ALARM, THREAT ETC. BOTH VERBAL AND WRITTEN

There is no tolerance for a false alarm, which refers to any act, which leads others to believe that they are in imminent danger such as a fire alarm or bomb threat. This is also a violation of Colorado State Law. A false alarm includes, but is not limited to phone calls, personal malice, pulling the fire alarm or any other action which could incite undue fear, concern, school dismissal or involvement of city and/or county workers such as the fire department, ambulance or police. The student(s) involved will receive a consequence and may be considered for expulsion. Additionally, law enforcement may be contacted based upon the individual circumstances.

PORNOGRAPHIC MATERIALS

There is no tolerance for any material of this nature. Pornographic material is not permitted at school, school functions, while on school provided technology or networks, during field trips or at any time whatsoever that can be considered "school time."

Consequences for Pornographic Materials:

Parent(s) or Guardian(s) will be contacted. Student(s) may be assigned a consequence based upon individual circumstances.

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

HARASSMENT AND BULLYING BEHAVIOR

Harassment is unwelcome behavior toward a person that may be verbal, physical, visual, or abusive. It may target one person or a group of persons. Sexual, racial, or any other kind of harassment will not be tolerated and disciplinary action will result.

Colorado House Bill 1302 indicates specifics on charges that can be made from a petty offense, to a felony and will be followed in a case by case matter. **Colorado Safe Schools Act, C.R.S. 22-32-109.1** will be followed thoroughly with any reports submitted as well.

Consequences for Harassing or Bullying:

Parent(s) or Guardian(s) will be contacted. The Administration will determine the consequence based upon individual circumstances.

HARASSMENT – RACIAL/SEXUAL

Lotus School for Excellence believes that all students are entitled to pursue their education in school-related environments that are free of racial and sexual harassment. To this end, LSE prohibits the harassment of students through conduct or communications.

It is the policy of the LSE board that complaints be investigated and offending individuals be dealt with in accordance with state law and district policies. Individuals who wish to file a formal complaint of racial and/or sexual harassment may do so by informing the building principal or by filing a grievance with:

Kelly Hamm, HR Director (LSE)
11001 E Alameda Ave. Aurora, CO 80012

DISRESPECT AND/OR INSUBORDINATION TOWARD TEACHERS OR STAFF

When any adult in the building, on school grounds, or at any school activity makes a reasonable request of a student, i.e. asking a student to identify himself/herself, the student should comply. Failure to do so will subject the student to disciplinary action.

Insubordination is defined as:

- Continued, willful disobedience or open, persistent defiance of a proper authority.

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. - Willful destruction or defacing of school property.
- Behavior that is a threat to the welfare, safety, or morals of other students or staff.

Consequences for Disrespect and/or Insubordination

Parent(s) or Guardian(s) will be contacted and consequences may be assigned by the administration based upon the individual circumstances.

DISPLAYING THREATENING BEHAVIOR

Threatening behavior includes, but is not limited to, verbal threats, face-to-face interactions that cause or promote fear, written notes, and threats through electronic media. Non-verbal threats, such as gestures that cause or attempt to cause any student, self, teacher, administrator, or staff member to feel frightened or intimidated, are also included under the definition of threatening behavior. Behavior is taken very seriously at LSE. Regardless of the context, if a student is reported for making threats, even jokes of a threat, to another student(s) or individual(s), the parents of this student will be contacted, and the school's Threat Assessment team will investigate and follow-up with interviews with all involved students and staff. Once a determination is made as to the level of threat, this student and their family will be informed of the next steps. In order for this student to come back to the classroom, regardless of the level of the threat, a re-entry meeting with the parent or guardian present is required.

Consequences for Threatening Behavior:

Parent(s) or guardian(s) will be contacted and the consequences, up to and including expulsion, will be given based upon the individual circumstances.

STEALING AND/OR VANDALIZING PRIVATE OR SCHOOL PROPERTY

Theft or vandalism can occur either on school grounds or during a school function, or during any event held on the school grounds, as well as at another facility used by the school during school sanctioned activities.

Consequences for Stealing or Vandalizing:

Parent(s) or Guardian(s) will be contacted and consequences, up to and including expulsion will be assigned based upon individual circumstances.

CHEATING/PLAGIARISM

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

Cheating on assignments and/or plagiarism is unacceptable and will not be tolerated at Lotus School for Excellence. We value academic honesty and expect every student in grades 6-12 to show their best effort on each assignment.

Level 1

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

Conferences - Conference with student and/or staff conference with parent/guardian and student contract with student written warning, restorative justice, peer counseling, peer mediation other similar actions

Level 2 -- Interventions include in-school suspension and/or exclusion from extra-curricular activities, assignment to another class. Saturday school. work detail/community service, after school detention.

Level 3 -- Suspension / Emergency Removal / Reassignment emergency removal -- immediate danger or serious disruption presented, suspension out-of-school alternative placement within the school district other similar action

Level 4 – Expulsion / suspension / out-of-school, pending expulsion / expulsion

Level 5 -- Mandatory Expulsion mandated by federal law, state law or Lotus School for Excellence policy.

Expulsion Procedures

When student's behavior or actions rise to the level of consideration for expulsion, the following policy will apply:

- 1) Once the decision is made by the appropriate administrator to recommend expulsion, the following will occur:
 - a. The student will be suspended for a period of time necessary to conduct the expulsion process, not to exceed 25 days in total, and in accordance with state law (an initial 5 day suspension with up to two additional suspensions of 10 days each, as needed).
 - b. Notice should be communicated in writing to the family and the executive director or designee. Notice should accomplish, at a minimum, the following: 1) A summary of the allegations, including a reference to the statutory grounds for expulsion, and reasons for the recommendation to expel; 2) Inform the parents that, if requested, a hearing will be held, and the date (usually within 5 days), time, and place of the hearing, if it is requested; 3) Inform the parents that the student and parents may be present at the hearing and may call witnesses and/or present any evidence in the student's defense at the hearing. They may have an attorney present, but must inform the school immediately if an attorney will be present, so that the school may also have its attorney present; 4) Inform the parents that the hearing may be rescheduled at the discretion of the school, and if it is rescheduled

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

the parents will be informed; and 5) Inform the parents that failure to request a hearing is deemed a waiver of the right to a hearing or further appeal of the matter.

- c. If the student has an IEP or 504 plan, a manifestation determination will be conducted in a manner so as to ensure any suspension or expulsion in excess of 10 days does not result in an improper change of placement.
- d. Legal counsel may be contacted, as needed.
- e. All evidence should be gathered and organized, including a thorough and detailed timeline of events from the inciting incident, by the appropriate administrator involved in the investigation. The information gathered must be submitted to the executive director or designee, if no hearing is requested, or prepared for presentation at the hearing, if it is requested.
- f. If a hearing is not requested by the student, the executive director will review the information submitted by those involved in the investigation and will issue a written decision to expel or not within 5 days of receiving the information. The written decision must be promptly provided to the student's parents.
- g. If a hearing is requested by the student, it should occur within the above timeline. If a hearing is requested the conduct of the hearing will be as follows:

The hearing must be conducted by the executive director, or a designee, as hearing officer. The hearing officer, if it is a designee of the executive director, should be an outside contractor or high-ranking member of the administration who, as much as possible, was not directly involved in the investigation. The hearing will typically be held in closed session, and should be conducted in as confidential a manner as possible. Ultimately, the school will determine the hearing format. Witnesses may participate as deemed necessary by the hearing officer, but should not be present at the hearing any longer than needed. The hearing officer will decide on the introduction of evidence and testimony, questioning of witnesses, or any other presentation or rebuttal of evidence the hearing officer deems necessary and relevant. The hearing officer must provide a fair opportunity for the student to provide his or her defense, but the hearing officer is not bound by any formal rules of evidence or procedure, and the hearing officer has the authority to decide the admissibility and weight given to any evidence or testimony presented. The hearing officer should arrange and provide for the hearing to be audio recorded.

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

- h. The hearing officer, if someone other than the executive director, has 3 days to provide written findings of facts and also a recommendation regarding the expulsion, which must be immediately forwarded to the executive director.
- i. The executive director has 5 days from the date of the hearing to review the findings and recommendation, and issue a written decision to expel or not. The written decision should be promptly provided to the student's parents and include information for requesting an appeal to the APS Board of Directors.
- j. The student has 10 days after receiving the decision to appeal to the APS Board of Directors.
- k. Once the expulsion is final, LSE will ensure that the student continues to be educated, including paying any necessary costs, as required by state law and the Charter Contract.

ADMINISTRATION DISCRETION

Due to the range of possible behaviors, the Administration reserves the right to adjust consequences, as the administration deems appropriate for the given situation at any given time for any event. These consequences range from notification of your parent(s)/guardian(s), detention, and emergency removal from a school activity through suspension, expulsion, and criminal prosecution.

Except to the extent allowed or required by law, information about another student and/or his or her consequence and/or standing will not be released to anyone outside the law enforcement.

Typically if your child is involved in a situation at school, the consequences given to the other student cannot be specifically discussed. Please know that the school makes every attempt to hold every student accountable for their actions. If you have any concerns, please contact the teacher or administration to have them addressed.

Students who receive a detention need to follow the following procedure if they disagree. Speak with the teacher giving the detention after class, at lunch, or after school when there are no other students to distract. If the student still does not agree with the outcome, he/she needs to set up an appointment with the Administration to discuss it further. A meeting will then be set up with the teacher to discuss the

situation. If the dean does not change or rescind the consequence, the student then has the option to bring in his/her parents for a meeting with the dean, counselor, teacher, and student.

STUDENT SAFETY

All students at LSE have the right to feel that they are physically, emotionally and intellectually safe.

Therefore, if at any time you feel you are the subject of harassment, hazing, threats, or other intimidating behavior, you should immediately speak to a teacher or an administrator regarding the problem. The situation will be investigated as soon as possible, based upon the severity of the offense, and you will be informed of the outcome. All reports are kept confidential, to the extent possible.

Similarly, if you are concerned about the safety of another student who seems to be the subject of harassment, hazing, or threats, you should immediately speak to a teacher or an administrator about the problem. The situation will be investigated as soon as possible, based upon the severity of the offense, and you will be informed of the outcome.

V. SCHOOL ACTIVITIES

LSE offers a range of activities, which enrich student learning before, during and after the school day. On behalf of the student's safety and the safety of others, specific rules apply to these activities.

Students must adhere to the following criteria:

Students with one or more F will be deemed ineligible until the next weekly grade check.

Students participating in after school clubs and/or activities must maintain a cumulative 2.25 GPA average (with no more than one failing grade) and satisfactory behavior in order to participate on an activity team. Re-evaluation of grades is done every grading period. Students whose GPA falls below 2.25 cannot participate until a grade re-evaluation has been performed.

TUTORING

LSE provides after school tutoring on certain days. The students must communicate with their teachers about specific times. It is the responsibility of the students to check with each teacher to find the right tutoring section to attend. Students who do not meet the academic standards **must** attend after school tutoring on the designated day and time.

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

AFTER SCHOOL CLUBS

LSE offers various after school clubs to enrich the students' education. Such involvement provides ways for students to engage in activities they already enjoy and provides opportunities to experiment with other areas that may interest them.

If a student remains at LSE for an after-school activity, they will be expected to follow these rules:

- Be with a teacher or other staff member at all times.
- Arrange for his or her own transportation to be picked up promptly at the end of the activity.
- Abide by the LSE code of student conduct while participating in the activity.
- Students may not stay after school to wait for another student.

All students must be picked up within 10 minutes of the activity ending, unless there has been a prior arrangement made or an emergency.

Clubs cannot meet during lunch hours.

All students who are not in a club, after-school activity or have made a special arrangement with a teacher must be picked up by 3:30 p.m. This is a safety issue due to the lack of staff to supervise these students. The majority of teachers have after-school activities, tutoring, meetings or other commitments. This includes but is not limited to waiting in any office.

A complete list and description of after-school clubs and activities are posted on the school website.

CLUB/TEAM COMPETITIONS

Throughout the school year, many clubs and teams participate in on-campus and off-campus competitions. During the course of a competition, students must adhere to the following:

- Return the "Club/Team Competition Permission Slip" signed by parent(s) or guardian to the instructor by the specified date. Phone calls will not be accepted as permission.
- School uniform must be worn, unless otherwise specified.
- Abide by LSE codes of student conduct while participating in a competition.

ATHLETICS

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

Students who participate in athletics must obtain a physical examination and submit the required documentation prior to practice/competition

Students participating in athletics must maintain a cumulative 2.25 GPA average, satisfactory behavior, and attendance (90% or higher) record in the semester in order to participate on an LSE sport team. Re-evaluation of grades will be done weekly. Students will also be required to provide their Behavior Report Card weekly which will include information on Behavior, Attendance, and Citizenship.

Students whose GPA falls below 2.25 cannot attend practice or play in games until a grade re-evaluation has been performed.

Participation on a team will require a participation fee. Students who wish to play in multiple sports in the year may be subject to a lower participation fee at the administration's discretion. Questions or concerns should be directed to the Athletic Director.

FIELD TRIPS

Off-campus field trips offer exciting ways to learn. LSE students have the opportunity to go on field trips at various times throughout the school year. During the course of a field trip, students must adhere to the following:

- Return the "Field Trip Permission Slip" signed by the parent/guardian to the instructor, by the specified date. Phone calls will not be accepted as permission.
- School uniform must be worn, unless otherwise specified.
- Abide by LSE codes of student conduct while on the field trip.

Just as students must follow LSE's Code of Conduct, parents supervising field trips are asked to follow all school policies and procedures and abide by the following:

- Closely and actively supervise students
- Communicate concerns with lead teachers
- Use appropriate language
- Absolutely no smoking

Prior to each field trip, the teacher will provide the students and their parents/guardians with a "Field Trip Permission Slip" and specific information.

Prescription medications will be sent on the field trip with a staff member who has been trained and is competent in the procedures for field trip medications.

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Parents are responsible for keeping all contact information up to date with the main office staff.

SENIOR CLASS ACTIVITIES

If you're a senior and are ineligible for senior activities, you may not accompany someone else to any event in any way, shape or form. Those restricted that choose to attend an event and location, will then forfeit their right to the graduation and attendance. An appeal may be brought to the Administration for a more thorough investigation. Only then, can a restriction be lifted once the administration comes to a conclusion to an appeal. If not, the restriction will stand.

INCENTIVE PROGRAMS

Lotus School for Excellence Administrators and teachers are strong proponents of student recognition and incentive programs.

Types of Recognition and Incentives: Individual, Club, Team, Classroom, Grade level, or Class rewards (homework pass, extra credit, etc.) will be listed in each teacher's syllabus. School-wide student rewards may include: movie passes, free dress passes, attending assemblies, lunches, etc.

All activities can only be done within the student's peer grade or Middle/High School as a whole. This is always left at the discretion of the Administration.

SURVEILLANCE CAMERAS

Surveillance cameras are installed in locations where security of either property or people will be enhanced, including, but not limited to, inside and outside of buildings and on our school buses. Surveillance cameras will not be used in locations where there is a reasonable expectation of privacy, as defined by law.

Video and/or audio recordings may be used as evidence in any disciplinary action, administrative or criminal proceeding, and may become a part of a student's education record or an employee's personnel file. All recordings of illegal activities of employees, students, or others will be forwarded to the appropriate law enforcement authority. LSE will comply with all requirements of the Family Educational Rights and Privacy Act (FERPA) prior to releasing any recordings to parents or guardians of students

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

A concern or Report may be submitted to the Title IX Coordinator in any format, although it is encouraged to utilize e-mail or hard copy transmission to better ensure a record can be more readily maintained of the content of the Report or concern. The Title IX Coordinator will make and maintain notes from any verbal Reports made.

It must be noted that an employee making a Report of concerns for Title IX purposes is separate and distinct from an employee's mandatory reporting obligations under state law when an employee reasonably suspects a child has been subjected to child abuse and/or neglect. Mandatory reporting of child abuse and/or neglect must be made directly to appropriate law enforcement and/or local child protection agencies and reporting to the Title IX Coordinator does not satisfy this requirement. It should not be assumed that reporting for Title IX purposes will satisfy an employee's other mandatory reporting

LGBTQIA+ GUIDELINES FOR STUDENTS

Any student may inform a school staff member of their strong desire to be consistently recognized at school using their stated gender identity, and this request should be acted upon respectfully. The school shall accept the gender identity that each student asserts; and there is no medical or mental health diagnosis or treatment threshold that students must meet in order to have their gender identity recognized and respected. Students ready to socially transition may initiate the process starting with an LGBTQIA+ Inclusive Action Plan through their LSE school counselor or their academic dean. They will help inform students on the process to change their name, pronoun, and access to programs, activities, and facilities consistent with their gender identity.

Access to Student Information/Student Records – Rights and Privacy

From time to time, Aurora Public Schools personnel are asked to share student information with someone other than the parent or guardian of the student. Aurora Public Schools is unable to provide this information because it is illegal according to federal law (Family Educational Rights and Privacy Act). There are some exceptions, which include requests of information through a subpoena, information classified as “directory information” (such as email address, date of birth and photograph), and information, which is shared with a different school in which the child seeks to enroll or when parental consent is given.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student's education records. These rights are:

- The right to inspect and review the student's education records within 45 days after the day the School receives a request for access.

Parents or eligible students should submit to the school principal or appropriate school official a written request that identifies the records they wish to inspect. The school official will make arrangements for

access and notify the parent or eligible student of the time and place where the records may be inspected.

- The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend a record should write to the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

ANNUAL NOTICE TO PARENTS: DISABILITY DISCRIMINATION

In compliance with a federal law known as Section 504 of the Rehabilitation Act of 1973, the Aurora Public School District will provide to each protected student with a disability, without discrimination or cost to the student or family, those related supplementary support services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the person's abilities. In order to qualify as a protected student with a disability, the child must meet the following definition: he or she must be of school age with a physical or mental disability which substantially limits one or more life activities, (such as learning) or prohibits participation in or access to an aspect of the school program. In addition, one who in the past has had such a disability or is perceived by others as having such a disability may also be protected by law from discrimination on the basis of disability.

- Even students who are not eligible to receive services under the traditional special education programs, which are provided pursuant to the Individuals with Disabilities Education Act, may be eligible to receive supplementary supports, services, and accommodations, if they fall within the definition of disability stated above.
- In addition, the district does not discriminate in admission, treatment, employment or access to its programs or activities.
- For further information about the evaluation procedures and provisions of services to students with disabilities, contact the district's coordinator of Section 504 Compliance in Health Services, at phone number 303-344-8060, ext. 28511, or write to the 504 Compliance Director, Aurora Public Schools, 15700 East 1st Ave., Aurora, CO 80011.

ASBESTOS MANAGEMENT PLAN DESIGNED FOR SCHOOL SAFETY

The safety of students and employees in all Aurora Public Schools facilities is the number one priority for the Environmental Compliance Branch. Our procedures for dealing with asbestos reflect that priority.

LSE is committed to student safety and well-being and thus, an early dismissal from school will meet the following guidelines: The main office may release a student before the end of a school day only upon presentation of a written, face-to-face, or verbal request by the parent/guardian or for emergency reasons.

Students may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to have the student released to. Parents are responsible for keeping all contact information up to date with the main office staff.

As required by the Asbestos Hazard Emergency Response Act (AHERA), Aurora Public Schools has conducted an extensive asbestos survey of all the district buildings. Based on the findings of these inspections, a comprehensive management plan has been developed for each school. Each plan identifies locations and types of asbestos-containing materials in the building and details the district's ongoing effort to maintain or remove those materials. The plans are continually updated with documentation of asbestos-related work performed at each site.

HOMELESS CHILDREN & YOUTH – MCKINNEY-VENTO ACT

If a student meets the federal definition for homeless, the parent(s) and the student(s) have the right to enroll in the student's designated attendance area and to fully participate in any school programs offered to students, for which they meet eligibility requirements. Homeless students are not required to attend a separate school for homeless youth and will not be stigmatized by school personnel. Homeless parent(s) and student(s) do not need to provide school documents, proof of residence or immunization records when enrolling. Schools may assist parents with information on clinics for immunization or with requesting school documents. Homeless students will be provided comparable services including transportation, education and meals. If a parent is denied enrollment, they may appeal the decision for

non-enrollment to the district's homeless liaison. Upon review of the situation, the district's homeless liaison will make a final decision on the enrollment of the student.

If a family or youth becomes homeless during the school year, parent(s) may request assistance with transportation for their child to continue attendance at the school of origin. This request is only applicable if the family or youth needs to move to a location outside of the school's attendance area. This assistance with transportation to the school of origin will be provided for the balance of the current school year. In determining transportation options, the homeless family liaison will consider the hardship of the student if transportation is deemed too long for the student to ride on the bus or if the time involved would also cause some hardships for the student and their family.

For more information on homelessness and the rights of homeless parents and youth, please contact the Metro Migrant Education Program, Aurora Public Schools, at 303-365-5817.

Should you wish to acquire information regarding the license and degrees held by Title I classroom teachers, please complete a Title I Teacher Qualification Request Form. This form may be obtained by writing to the Division of Human Resources located at 1085 Peoria Street, Aurora, Colorado 80011 or by calling 303-344-8060. NON-CUSTODIAL PARENT RIGHTS

By law the district is required to allow non-custodial parents (those who do not have legal custody of their children) access to all records concerning their children unless there is a court order denying them access to such records or, in rare cases, where the district believes the children could be in danger. This means that if you are divorced, separated or for some other reason not living with the parent of your child, and the non-custodial parent asks the school for any records concerning your child, the school is

required to provide the records to him/her, unless there is a court order which says they are not entitled to such records. Please note that school records include names and addresses of students.

It is the responsibility of the parent who has custody of a student to provide the district with a copy of the most recent court order related to custodial rights and any order relating to the right of the non-custodial parent to have access to records involving a student. Such a court order must be provided as close as possible to the time of registration of the student or to the time the court issues the order. If there is no court order on file with the school, the school will assume that none exists.

PROTECTION OF PUPIL RIGHTS ACT (PPRA)

Under the federal PPRA, parents have the right to prior notice of: (1) any activities involving the collection or disclosure of personal student information for marketing purposes; (2) the administration of any survey designed to gather private student information (including information about political affiliation, family income, mental problems, illegal behavior, sexual behavior and attitudes and religious beliefs); and (3) any non-emergency, invasive physical exam or screening that is required as a condition of attendance, administered by the school and scheduled in advance, and not necessary to protect the immediate health and safety of the student or other students. Aurora Public School District (APS) has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. APS will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. APS will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. APS will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. STORM WATER MANAGEMENT PROGRAM

Aurora Public Schools has developed a StormWater Management program intended to reduce nonpoint source pollution into the local waterways. As storm water flows over driveways, lawns, and sidewalks, it picks up debris, chemicals, sediment, and other pollutants. Storm water can flow into a storm sewer system or directly into a lake, stream, river, wetland, or coastal water. Anything that enters a storm sewer system is discharged untreated into the water bodies we use for swimming, fishing, and providing drinking water. Polluted runoff is the nation's greatest threat to clean water. If you witness illegal dumping on school grounds, please contact the Environmental Compliance Branch immediately.

The program is available for review at the Environmental Compliance Branch at 1369 Airport Boulevard. Questions are welcomed and should be directed to the Environmental Compliance Branch Manager at 303-367-3000 ext. 28685.
