LOTUS
SCHOOL FOR EXCELLENCE

Dear Lotus School for Excellence Parents and Guardians,

We understand that recent discussions about immigration enforcement may have caused concern for some families. Please know that **our school remains a safe and welcoming place for all students and families**. At LSE, we take pride in serving a diverse community, and our focus continues to be on providing the best learning environment for your children.

At this time, we have **no reason to believe** that immigration officials will visit our school buildings. However, if such a situation arises, please be assured that we are **prepared to handle it safely, calmly, and appropriately**.

If immigration officers come to our school:

- **School leaders will follow clear procedures to protect students and their information.**
- **We will contact legal counsel and follow the proper legal steps before sharing any information.**
- **Immigration officers are only allowed in the school building if they present a judicial warrant.**
- **Parents and guardians will be informed if any requests are made regarding their child.**
- **LSE staff do not know and do not request students' immigration status.**

If you would like more information on how to prepare for potential changes to immigration enforcement, we encourage you to review these helpful resources:

- **Family Preparedness Plan** ENGLISH / SPANISH
- **Know Your Rights Information** Access Know Your Rights information

If you have any questions or concerns, please feel free to reach out to your school principal. **Our top priority is keeping our students safe and supported**.

Thank you for being a valued part of the LSE community.

Best regards,

Mehmet Nalcaci

Executive Director
